**"If you can't stand the heat...**

Never a slave to fashion or what 'looks good', Kevin has always seen The Summit as a non-threatening environment in which to proudly display his flamboyant coalition of rainbow patterns and fabrics with a level glee seldom found this far from the Florida keys. On a side note, rumor has it that Kevin was grounded from defending his '11 SMC Title after Peggy discovered mud on her slippers and an empty beer can under his seat.
