**"... get out of the
kitchen!"**

Burdened for years with the reputation as 'the best golfer never to win the Big One', Bo Blankenship finally shook the monkey from his back and captured the Crown in decisive fashion that some described as 'like taking candy from a baby' (not that the Title is candy). When asked about his lopsided victory, Bo responded, "I kinda know how Siegfried must've felt when his partner, Roy, was mauled by that tiger."
