Handy-man!

Though he may be full of bull, this jack of all trades has his hands in a little bit of everything and the tools to get the job done— no matter how big or how small. After fears that he may be going blind, Mike took some time in the offseason to pursue his true passion— animal husbandry.

Will the Summit ever see a back-to-back Champion?

Are some people simply allergic to the Finals?

With Sam sitting at home, can anyone unseat Jeff from his throne?

Is John the best player never to win the Summit?

Is Mike the greatest lefty to ever play at The Summit?

Can Hudson survive past 12 holes?

Are unicorns real?

Who's better: Patrick Swayze or Greg Norman?

Will Bo and Ben finally be satisfied with their accommodations?

What is Greg's target profit margin when playing Bo?

Find out at the 2017 Summit!
